

The image features three modern, low-profile armchairs arranged in a row, receding into the distance. The chairs are upholstered in a plush, ribbed fabric. The first chair in the foreground is a muted grey, the middle one is a vibrant green, and the last one is a deep maroon. They all have thin, black, splayed legs. The background is a minimalist desert landscape with rolling sand dunes under a clear, pale blue sky. Long, soft shadows are cast across the sand. The word 'stylex' is superimposed in a large, white, lowercase sans-serif font across the middle of the image.

Committed to making things better by making better things.

We are driven by continuous refinement, considering every detail and editing away the superfluous. Reinvention is about making timeless products that meet the moment, while longevity considers the life cycle of the things we make. Responsibility, to us, means finding the best ways to leave the world better than we found it.

ANLA CHAIR

The Anla chair embraces a soft, organic silhouette, offering a gentle flex for exceptional comfort. Versatile in its application, it effortlessly transitions from dining rooms to office spaces, elevating executive seating with its sculptural design and unmatched comfort. Manufactured with 100% recycled polypropylene for the seat and back, Anla offers customizable options, including standard or ruched upholstery, and a variety of base choices.

CALA TABLES

The Cala family of tables embodies refinement and versatility, echoing a timeless spirit of artistry. With a blend of sleek minimalism and playful adaptability, this collection features coffee, side, laptop, and café table options, perfectly suited for a variety of floor plans and functions, from cafes to workspaces to lounge areas. Whether amplifying the playful atmosphere or dialing it down, Cala offers designers the flexibility to create spaces that are both functional and visually captivating.

OKO LOUNGE

In today's world where the boundaries between home and work are increasingly fluid, LucidiPevere's Oko chair emerges as the ideal companion. Drawing inspiration from the organic cocoon shape and the Japanese sake cup, ochoko, this chair emanates warmth through its soft lines and gentle curves. With a pillowy seat and backrest enticing you to sink in, a sturdy back panel provides support while doubling as a decorative element. Its versatility is further enhanced by sophisticated material combinations, such as fabric, leather, and wood for the back panel.

AMBI COLLABORATIVE LOUNGE

Ambi is a versatile modular lounge collection crafted for both in-person and virtual collaboration. The name "Ambi" derives from "Ambiance," reflecting its capacity to establish and shift moods within a space. With soft panels providing privacy and support for activities like virtual calls and dining, Ambi meets the dynamic demands of hybrid workspaces. Whether configuring single-occupant booths for focused work or fostering team collaborations, or arranging modular seating for open lounges, Ambi delivers multifunctionality within a unified collection.

YOOM MODULAR LOUNGE

Featuring soft, simple forms that can be endlessly arranged and rearranged, Yoom evolves with its users' needs. New curved upholstered components and integrated wood tables expand the functionality and versatility of this beloved lounge collection. The interplay of materials and shapes, along with optional integrated power, blends form and function for the perfect touch-down spot.

LUNA BANQUETTE

Luna offers banquette seating specifiable by the inch, ensuring symmetry and fit in even the most uniquely sized spaces. Segments range from 25" to 60", and can be continuous or standalone, with open ends or finished with a half-moon arm. Newly added planters and plinth colors enhance Luna's versatility, making it suitable for even a wider variety of settings from corporate lobbies to hospitality. Designed to seamlessly integrate with Still screens, the Luna collection, available with high or low backs, also includes a trio of accessory tables.

DAU LOUNGE COLLECTION

Dau presents a versatile collection of upholstered sofas, benches, poufs, and lounge chairs, providing designers with all the elements needed to create dynamic lounge environments. Featuring optional casters and handles for easy rearrangement, along with complementary tables—side, coffee, and tablet models—Dau offers convenient surfaces for laptops or beverages. Designed by Yonoh Studio, Dau seamlessly fills both cozy corners and expansive open-plan areas.

F4 TASK CHAIR

The F4 task chair designed by Fig40 combines graceful aesthetics, lightweight construction, and timeless design, redefining the standards of comfort and ergonomics. Crafted with meticulous attention to detail and thoughtful material selection, F4 effortlessly adapts to the user’s movements, supporting a wide range of seated gestures without the need for manual adjustments. At the heart of F4 lies a unique torsion-spring mechanism, ingeniously concealed within its frame. This innovative design ensures seamless support and comfort for users of all shapes and sizes, enhancing productivity and well-being in any workspace.

ADORN TABLES

Adorn is a versatile family of occasional tables suitable for a variety of environments. Coffee and occasional units come in three different heights and widths, allowing for overlap-nesting to maximize visual interest and utility. The largest table serves as a convenient pull-up work surface in lounge settings. Stylex provides a wide range of paint finishes and offers chrome on the metal bases. Tops are available in painted metal, solid wood, Caesarstone, solid surface, or back-painted glass options.
