## SHARE PRIVACY SCREEN INSTALLATION INSTRUCTIONS

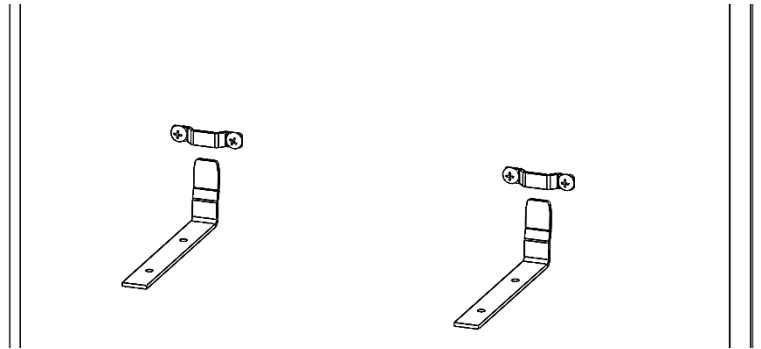

Step 1.

Hold screen in front of you with brackets facing rear of chair.

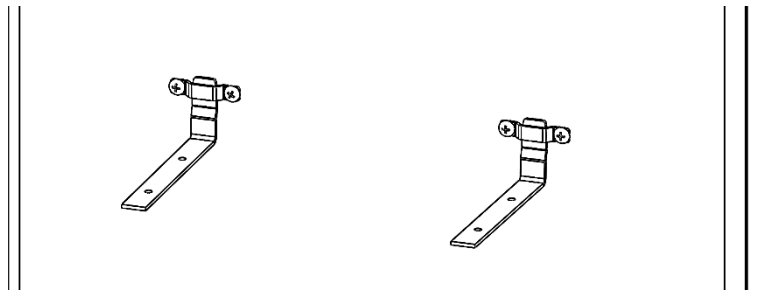

Step 2.

Position screen brackets above chair brackets.

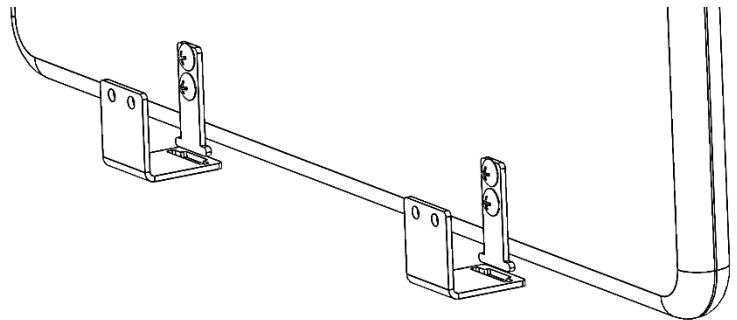

Step 3.

Slide screen over chair brackets until both sides of screen have registered.

Step 4.

Pull screen down until lower panel brackets are just above lower chair brackets.

## SHARE PRIVACY SCREEN INSTALLATION INSTRUCTIONS

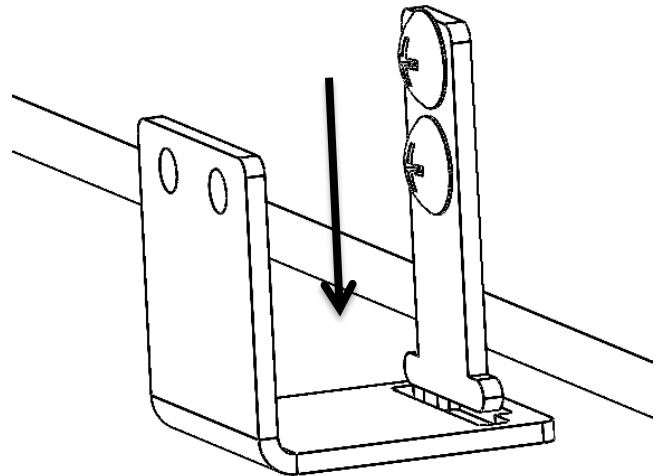

Step 5.

Push bottom of screen into back of chair, lining up both bottom brackets. While pushing in, pull the screen down. The brackets should register.

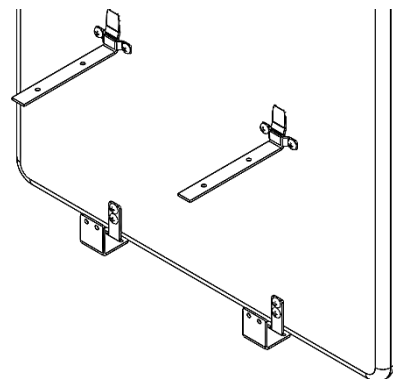

Step 6.

Pull screen down until the screen brackets lock into place.

Screen is now installed.
