## STYLEX PRICE LIST

### GENERAL INFORMATION

#### Terms

Net 30 days from date of invoice,  
F. O. B . Delanco, New Jersey.

#### Damaged Shipments

All Stylex products are carefully inspected before they are packed in sturdy cartons designed to satisfy shipping requirements. Stylex is not responsible for damage in shipment. The transportation company assumes responsibility for delivering products to you in good condition when the bill of lading is signed. You protect yourself by refusing shipments showing damage or shortage until transportation company has noted on the delivery sheet the extent of damage or shortage. Concealed damage should be reported to the carrier as soon as discovered, but no later than 5 days after receiving shipment.

#### Return/Restocking Policy

Return shipments will not be accepted unless specifically authorized by Stylex in writing. The Return Authorization number should be clearly marked on the carton. The customer returning Stylex products is responsible for return shipping costs. Merchandise must be returned unused. Returned merchandise is subject to a 35% restocking fee.

#### Custom Products

Modifications to standard products will be considered for large runs. Contact factory for price quotations.

#### Design Changes

In keeping with modern manufacturing advances, Stylex reserves the right to incorporate minor modifications and design changes in products without notice.

#### Cancellation/Change Order Policy

Regarding requests for order cancellation and/or order modification, please be advised that no charges will be applied before production, unless inventory has been specifically requisitioned to fulfill your order. Once orders proceed to the production phase, they cannot be altered or canceled under any circumstances. All requests for order cancellations or order changes must be submitted in writing and will only be considered valid upon approval by Stylex.

### WARRANTY

Except as provided below, Stylex warrants exclusively to the original Purchaser of our product that all parts, under normal use and service, will be free from defects in workmanship and material for a period of ten (10) years from the date of purchase. "Normal use and service" means that the product will be used in a typical office environment for 40-45 hours per week.

This warranty is subject to the following limitations, exclusions and provisions:

Limitations involving materials and components:

**Wood components of plywood stacking chairs**  
(such as Brooks and Welcome)  
5 years

#### Upholstery

(including mesh used for Click, F4, Insight, and Zephyr Mesh)  
3 years

#### SAVA Mesh

10 years

#### COM Upholstery

No warranty  
Stylex makes every effort to ensure that the COM Upholstery it approves is suitable for the intended use. Nevertheless, we will not warrant, and assume no responsibility for, the durability or tailoring quality of any COM or COL . If you have any concerns about the ultimate appearance of any covering, please order an upholstered sample.

#### Painted Stack Chair Frames

No Warranty

We will not warrant the finish of painted stack chair frames against damage from stacking. Please order chrome frames for chairs that will be stacked.

#### Felt Glides

No warranty

Due to the different surfaces on which felt glides may be used, we cannot warrant their durability over time.

If this product fails during normal use and service within the applicable warranty period (other than through normal wear and tear), please send a description of the relevant part and the nature of the defect, together with proof of purchase of the product to [qm@stylexdesign.com](mailto:qm@stylexdesign.com). PLEASE DO NOT RETURN PARTS OR THE PRODUCT TO STYLEX UNLESS INSTRUCTED TO DO SO BY STYLEX. Stylex will, at its discretion, either repair or replace the defective product or part at no cost. Labor requests must receive approval and will be authorized on a case-by-case basis. We will only reimburse for labor costs directly incurred, excluding any travel-related expenses. Purchaser may be required (at the option of Stylex) to return to Stylex at Purchaser's expense any defective part with all freight or shipping charges prepaid. The foregoing warranty shall be void if the product has been altered or repaired (other than by Stylex). The warranty does not cover damage to the product caused by accident, neglect, misuse, abuse, modification to the product by anyone other than Stylex or damage caused by use of the product for a purpose other than that for which it was designed. This warranty extends only to the original Purchaser of the product.

#### No Other Warranties

This warranty is in lieu of all other warranties, expressed or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose. The rights and remedies provided herein are the exclusive rights and remedies of the original purchaser of the product.

#### No Liability For Damages

In no event shall Stylex or its suppliers be responsible or liable for any special, indirect, consequential, or incidental damages. In no event shall the liability of Stylex exceed the actual purchase price paid to Stylex for the product.

#### Out of Warranty Products

For all products no longer covered by our warranty, please refer to our Design for Durability and Upgradability Policy. Contact Customer Service if you would like to purchase any replaceable components to further extend the life of any Stylex seating product. This warranty applies to all Stylex products purchased on April 13, 2018, and thereafter.

### PRODUCT TAKE BACK PROGRAM

In order to be good stewards of our products, Stylex offers a pathway towards a Product Take Back Program as a more viable solution to the end of our products' originally intended life.

Stylex supports the sustainable programs of ANEW and offers their added value to our clients through a comprehensive take-back solution for surplus office furniture and materials of any kind, in any condition. ANEW is a 501(c)(3) non-profit organization that exists to provide companies with smart, cost effective alternatives for their surplus furniture and other items with the priority of matching it to non- profits, public agencies and the underserved, within the local community of the project site. Corporate Social Responsibility is raised while the impact on the environment is lowered by diverting products and materials otherwise destined for landfill.

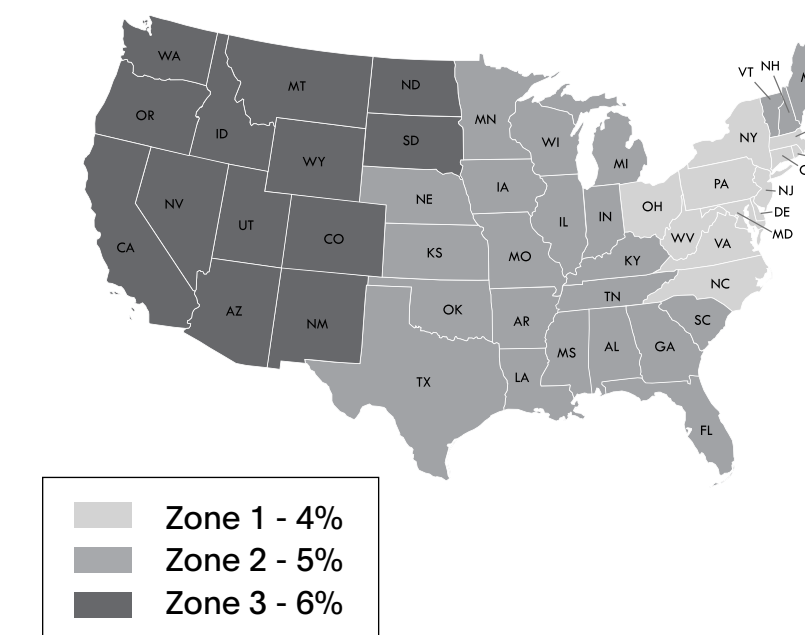

Stylex is proud to offer ANEW to customers dedicated to strengthening their community network by repurposing their furniture, fixtures and architectural materials to those in need. In 2014, Stylex committed to making this relationship a part of our strategic sales strategy. Visit [www.anewfound.org](http://www.anewfound.org) to find out more.

To initiate a Product Take Back strategy through ANEW, contact Stylex Customer Service at 800-257-5742.

For other end of life recovery options, please see our Product Disassembly Instructions and End of Life Recovery Options documents available on our website in the resources section of each product in our line.

### FREIGHT PROGRAM

Freight charges will be calculated as a percentage of the net product price and added to the invoice at the time of shipment. The continental United States has been divided into three zones. Please use the map below to determine freight charges for the product's destination. Minimum freight charge is \$150. Please let us know if you will be shipping to a residential address or require inside delivery as this requires an additional fee. Also please note we need to be made aware if a liftgate is required prior to delivery. If any requests are made at the time of delivery, applicable charges will apply.

## STYLEX PRICE LIST

### TEXTILE PARTNERS & APPROVALS

#### Textile Partners

To customize your furniture performance needs and design vision, Stylex offers a wide selection of in-graded leathers and textiles from Grades A through Y. We've partnered with leading manufacturers on the options, focusing on color, price, durability, and construction. To view our partners and explore our digital carded program with broadly approved textiles, visit [this page](#). We stand by these textiles: They're tried and tested, and will effortlessly fit into any design aesthetic.

#### Textile Approvals

All textiles must be approved for the product you are specifying. For the related approved textile lists, visit [this page](#).

### CAL 117 AND 133 COMPLIANCE

#### CAL 117-2013

All Stylex seating satisfies the requirements of CAL 117-2013 so long as one of our standard or in-graded fabrics is applied. COM textiles cannot be so guaranteed. Please contact the supplier of COM's directly to determine the fire retardancy of any COM supplied to us.

#### CAL 133

Most Stylex seating can be ordered to meet the requirements of CAL 133. When ordering, simply specify "CAL 133 compliance required". The upcharge for this option is \$54 list per yard. Please refer to the COM yardage of each model to determine the number of yards required. We do frequently require full-scale burn tests in order to certify CAL 133 before an order will be accepted. Such burn tests may increase normal lead times and do carry additional charges. Please contact customer service for details.

### CUSTOMER'S OWN MATERIAL/LEATHER

Customer's own material (COM) and customer's own leather (COL) will generally be upholstered at the price designated in each product's price list. Please be advised, however, that we specifically reserve the right to charge a higher price when we determine that special circumstances, such as unusual repeats or challenging materials, present themselves. All orders for custom coverings must be approved by Stylex before they will be accepted for production. To submit proposed textile for approval, please use the COM form [here](#).

#### Special Note:

We assume no responsibility for the durability or tailoring quality of any COM or COL. Directional covers in particular may not meet your satisfaction due to the design of certain products. Please be advised that COM and COL orders are not subject to return. If you have doubts about the ultimate appearance of certain coverings, please order a sample done with that specific COM or COL. In addition, while we inspect fabrics for mill imperfections, some are difficult to recognize. We cannot be responsible for defects, color inaccuracies, dye lot variations, or other flaws.

Under no circumstances will we be responsible for COM shortages, flaws, or other such problems. Finally, it is not our responsibility to police the receipt of COM's in order to meet delivery deadlines, and we assume our customers are aware of any undue delay in the shipment of their COM fabrics.

**COM fabric and COL leather should be sent prepaid to: Stylex**

**Attn: COM/COL - [Your PO #]  
740 Coopertown Road  
Delanco, NJ 08075**

**Clearly mark fabric or leather with the dealers name, purchase order number, and furniture model number of the item to be covered. Actual furniture orders should include the same information, as well as a description of the fabric or leather, including pattern and color number, in order to provide a cross reference.**

Yardage requirements shown in the price list are based on non-directional goods of 54" width. Fabrics less than 54" wide or those requiring matching (stripes, prints, or large patterned designs) call for additional yardage. We will be happy to supply yardage requirements for large quantities where economies may be realized.

**Add the following yardage for stripes, plaids, or patterns with repeats:**

Fabric Width	Plain Fabric	2-14" Repeat	15-24" Repeat	25-27" Repeat	28-36" Repeat
54"	0%	10%	15%	20%	25%
50"	10%	20%	25%	30%	35%
48"	15%	25%	30%	35%	40%
45"	40%	50%	55%	60%	65%
36"	50%	60%	65%	70%	75%

### COM/COL FORM

To avoid delay in processing COM orders we request that you submit a sample of your COM fabric stapled to this form which can be downloaded [here](#). If a fabric has a stripe or design, the size of the repeat should be indicated. Please indicate the fabric supplier's name, fabric number, and color. Also indicate the Stylex product on which the fabric will be used.

The fabric supplier must indicate on his shipping labels the dealer name and purchase order number as well as the Stylex model number.

#### Please Note:

No order may be entered into production or have a shipping date assigned until all related COM is received at the factory.

ABOUT

Introducing Luna, banquette seating that offers precise customization down to the inch, ensuring a perfect fit even in the most unconventional spaces. With segments ranging from 25" to 60", Luna allows you to create symmetrical and tailored seating arrangements, whether running or stand alone, with the option for half-moon-shaped arms. Luna seamlessly integrates with our Still screens, and the collection includes options for high or low backs, a planter for enclosed layouts, and a trio of accessory tables. Pricing is offered in seven different buckets, conveniently divided into 5" increments, ensuring efficiency and ease in specification. For layout assistance, our Design Application team is at your service – get in touch at [designapplication@stylexdesign.com](mailto:designapplication@stylexdesign.com).

### PRODUCT INFORMATION

#### Design

A Stylex Design, by Anthony Land

#### Legs (Elevated)

Elevated units come with cast aluminum legs, available in a polished finish and Stylex's standard powder coat colors. They can also be ordered without legs for custom millwork.

#### Configuration

Luna can be ordered as freestanding units or as part of a larger layout. When ordering, it's crucial to specify whether each line item is freestanding or for the start/mid/end of a layout. Arrange them from left to right as viewed from a seated perspective. We highly recommend using CET Designer for specifying this product for optimal accuracy.

#### Use

Designed for indoor use only.

#### Performance Standards

Manufactured to comply with:  
ANSI/BIFMA X5.4 Lounge Seating Tests

#### Certifications

GREENGUARD Gold  
BIFMA LEVEL® 2 Certified

## PRODUCT INFORMATION

### Planters

Planters extend to the floor, resting on height-adjustable glides, and feature a black laminate finish over an MDF core. They are concealed on all vertical sides by seat units or a wall. Please note that enclosed planters are not intended to be exposed; they should be surrounded by seating units or placed against a wall. Exposed planters can be exposed on all sides.

### Tray Tables and Tablet Arms

The round tray table is made of steel and available in 26 powder coat finishes.

The wireless charging tray comes in four different solid wood finish options, featuring a black wireless surface mount charging unit in the center of the oval top.

Tablet arms are available in single or dual swivel, with four solid wood finish options.

### Power

Elevated units offer undermount power beneath the seats, while plinth units offer flush mount power in the front. You can specify power units to be hardwired or equipped with a 3-prong plug. These units feature one USB-A port, one USB-C port, and a standard grounded 3-prong electrical outlet. Additional power options include daisy chain and wireless surface mount charging. Default cord lengths are 10 feet, with custom lengths available. Power units come with wire management clips for every 1-foot length of cord. Daisy chain infeeds are offered in 5', 10', and 15' standard lengths.

## PRODUCT INFORMATION

### Plinth

The plinth is designed to provide a continuous appearance at the front, back, and exposed ends of a unit. However, the plinth side panels are removed when ordered as the Start, Mid, and End of a ganged layout.

### Ganging

Elevated style units employ mid legs for ganging seating units side-to-side and back-to-back, while plinth style units use ganging brackets to connect seats in the same manner. Plinth Start, Mid, and End units can be ganged side-to-side and come with cast aluminum drop-on ganging brackets for tool-free assembly.

### Elevated - Legs

Elevated seats share a leg between non-standalone units, while standalone units have four legs. The legs for elevated units are installed in the field.

### Glides

All units come standard with adjustable glides, allowing for 3/4" adjustment.

### Upholstery Details

- Standard units feature a top-edge seam and are designed to be flush side to side.
- Armless End and Arm units have a roll-style seam at the exposed end of a layout.
- Units 46" and larger include a middle seam.
- Luna offers a dual upholstery option.

### Use

Designed for indoor use only.

### Performance Standards

Manufactured to comply with:  
ANSI/BIFMA X5.4 Lounge Seating Tests

### Certifications

<b>Plinth with Arm(s) (Arm Right Shown)</b>			
<b>Plinth Armless (Armless Right Shown)</b>			

### PRODUCT INFORMATION

#### Power

Elevated units offer undermount power beneath the seats, while plinth units offer flush mount power in the front. You can specify power units to be hardwired or equipped with a 3-prong plug. These units feature one USB-A port, one USB-C port, and a standard grounded 3-prong electrical outlet. Additional power options include daisy chain and wireless surface mount charging. Default cord lengths are 10 feet, with custom lengths available. Power units come with wire management clips for every 1-foot length of cord. Daisy chain infeeds are offered in 5', 10', and 15' standard lengths.

#### Mounting Options

Under mount power is designated by (U) in the model code. Flush mount power is designated by (F) in the model code.

#### Cord Length

Both the standard cord and the conduit whip are 10ft long. Other lengths are available as a custom order.

#### Colors

Under mount power units are offered in black (B), gray (G), and white (W), while flush mount power units are available in black (B) only.

#### Cable Management

All elevated units include cable mounts and screws for assembly and installation. Power units come with wire management clips for every 1-foot length of cord.

For plinth units against a wall, the rear-side toe kick can be removed to allow for cord egress.

For plinth units not against a wall, the unit may be raised up by extending the glides or the installer may cut a small mouse hole in the toe kick. See assembly instructions for more information.

#### Location

On elevated units, the power is located under the front edge, next to the leg. For plinth units, the power is flush to the front, positioned 8" on center from the side of the unit. However, for arm and armless units, the power is located 16" on center from that side. Units with a tapered front (Arm and Armless) under 45" in length cannot have power on the same side as the arm feature. For units 46" and longer, both left and right power options are available. Units with two arms under 45" in length cannot have power, and power is not available for corner or endcap units.
